Editor's Message

*The man of life upright,
whose guiltless heart is free
from all dishonest deeds
or thought of vanity."*

So says Thomas Campion, the poet, in his classical poem: 'The man of life upright.' Indeed, heart is the centre of gravity of human soul. It is where God lives. It is where lies an epicenter of human emotions, of both positive and negative. Science may not buy my perspective, yet we all instinctively believe in an existence of a pure heart in human body for living a happy and contented life. Believe it or not, but, all prophets, saints and pious people have taught this to mankind that even prostrations are useless without a sanctified heart.

Emphasis on religious interest and character building has been declining day by day in our 'modern' society. The moorings of leading a simple life can hardly be seen in human activities. Symbolism of virtuous life such as altruism, sincerity, loyalty and morality are rapidly disappearing while artifice, affectation, disloyalty and immorality are becoming signposts of today's society.

Therefore, there is a deep-rooted need for reformation of the concepts of

parenting, socialization, schooling and even politics. Parenting must be ideal. Schooling must be humanistic. Socialization must be constructive and politics must be utilitarian.

In educational institutions, student must be taught that all knowledge he learns should be exploited, above all, for the well being of mankind, for the construction and salvation of the world; not for its demolition and ruin.

Being one of the bastions of residential education system in the country, Cadet College Ghotki aims at achieving the fundamental purpose of schooling. Our steps and strivings are directed to producing productive citizens for the country.

The onerous this college has shouldered upon itself is valuable and virtuous. Grooming future generation for the homeland is our utmost responsibility. We are, thus, making all endeavors to fulfill our objective.

I am deeply indebted to all those who have assisted me in accomplishment of the publication of the second issue of 'GLIMPSES'. I hope this will benefit not only the institution but all those who are, in any way, adhered with education in our country.

Runner up
11. **Iqbal House**
Champion of the year

In his welcome address, principal CCG Lt Colonel (retired) Azhar Hussain Shah welcomed all parents and guests telling them that the institution was committed to groom their children in such a way that they might become responsible persons of the society. Providing cadets with quality education was his core concern, he said. Further, he prayed and predicted that the Ghotkians would be scientists, soldiers, doctors, engineers, scholars, teachers, bureaucrats, politicians and judges of this country in future, God Willing.

Speaking on the event the Guest of Honor, Brigadier Amir Riaz acknowledged the efforts taken by the institution in the field of education and co-curricular activities. Thanking the host he said that it was his pride privilege to become guest of occasion. Besides, he applauded the hard work of the cadets, dedication of the employees and spirit of the parents. He also envisioned that one day CCG would outclass all colleges of the country.

A Feather in Cap

By making entry into Pakistan Navy as Midshipman (Officer), ex-Cadet Ali Hyder Surhiyani has opened gateway to the force for his fellow Ghotkians. His selection

has raised not only honor of the College but also has really materialized the dreams of his Parents. CCG feels pride and conviction. We congratulate him and his parents on his success and hope for his bright future in Pakistan Navy.

At the Top Again

The hard work put in by the teachers round the year, culminated into highly satisfactory results at the Board Exams. Keeping up with the past record; this year (2017) CCG outclassed all colleges in intermediate Pre engineering and Pre medical by snatching first positions in both groups at the BISE Sukkur in Annual Examination of HSC Part-II held in May, 2017. In the previous year, (2016) our **Cadet Samiullah Thaheem** had snatched second position in SSC-II exams all over the BISE Sukkur. While this year our **Cadet Syed Afaq Hussain Shah** secured first positing by obtaining 957/1100marks 87.00 percentage in pre engineering group Cadet Osama Hassan secured first position by obtaining 954/1100marks 86.73 percentage in pre medical group.

Pictorials

Defence Day Commemoration

On September 6, 2017, CCG commemorated the victories of Pakistan Armed Forces made during the War against India in 1965. Speaking on the occasion Mr. Asif Raza Shah, Lecturer Urdu, said that there is no doubt that the Pakistani nation made an impregnable defence of the country. India had to bite the dust and Pakistan was blessed with victory by Allah. Addressing on occasion, the Principal said we defended our motherland against onslaughts of India with our guns and blood so the hard won victories should not be forgotten and underestimated.
